

WILLOW VIEW

Willow View is a residential home for adults with learning disabilities and complex needs, including behaviours that may challenge, mental health issues and autism.

Willow View is a lovely, peaceful, three bedroom bungalow in the heart of Warminster, providing a home for just two people. There are front and rear gardens to enjoy and it's just a short walk to the town centre.

We believe that anyone living at Willow View should have the same care and opportunities as they would in their own home. That's why we recognise, respect and support individuality, encouraging people to take as much control of their lives and decision making as they can, while offering care, support and guidance.

Our specialist team are experts in person-centred assistance and our range of services and strategies can help individuals to manage complex behaviours effectively.

All staff working at the service undertake accredited Positive Behaviour Support training.

Our techniques include:

- » Structured and robust behavioural management
- » Positive behaviour support for complex behaviour
- » Intensive but not risk averse support plans
- » Encouragement of independence
- » Total communication to ensure everyone actively participates in planned care
- » Continuous assessment and review to ensure a responsive service

Individualised support

Support at Willow View is precisely tailored to the needs and wishes of the individual. We try to achieve not only what is important for someone but also what is important to him or her. This holistic approach is very person-centred and promotes positive outcomes and development of skills for life and leisure.

We work with individuals, and those significant in their lives, to set - and achieve - short, medium, and long term goals. These change over time, so our support plans are regularly reviewed and updated as necessary.

"Friends and family are always welcomed with a smile, and fully supported as needed."
