

THE WILLOWS

The Willows is a residential home for adults who have learning disabilities and complex needs, including behaviours that may challenge, autism and other associated issues.

The Willows is a handsome, well-proportioned Victorian house located in the heart of Warminster. It provides generous accommodation for up to ten people over three floors and is situated in beautiful, private landscaped gardens.

We believe that anyone living at The Willows should have the same care and opportunities as they would in their own home. That's why we recognise, respect and support individuality, encouraging people to take as much control of their lives and decision making as they can, while offering care, support and guidance.

Our specialist team are experts in person-centred assistance and our range of services and strategies can help individuals to manage complex behaviours effectively.

All staff working at the service undertake accredited Positive Behaviour Support training.

Our techniques include:

- » Structured and robust behavioural management
- » Positive behaviour support for complex behaviour
- » Intensive but not risk averse support plans
- » Encouragement of independence
- » Total communication to ensure everyone actively participates in planned care
- » Continuous assessment and review to ensure a responsive service
