## “ What people say ”

~ Family Member ~

Having made inquiries for a family member I was pleasantly surprised with the help and professional manner of the employees. I would recommend this company to anyone looking for care for a loved one.

~ Family Member ~

Autonomy have supported our son for a number of years. He has always enjoyed the support he has been given and he has nothing but positive things to say about the support he receives.

~ Care Team ~

I cannot recommend this company enough.  
The care they provide it absolutely outstanding!

# About Autonomy Care

Autonomy Care Limited was founded by our Chairman Andrew Dykes in 2008, as part of the wider Autonomy Care Group.

With a broad range of services, we have deep experience and skills that help our wonderful teams care for adults and children who may have a variety of needs. Autonomy Care provides domiciliary care services within individuals' own homes and in the wider community. The group structure supports our teams' learning and development to ensure each colleague is as well positioned as possible to provide the very best care.

*"We enable the people we care for to lead safe and fulfilling lives"*

By providing the right care and assistance, following sound principles in which the rights of the individuals are paramount, we enable the people we care for to lead safe and fulfilling lives in a familiar environment. We are proud to help and encourage the people we care for to explore new experiences and challenges, helping them to feel empowered and engaged with society.

*A good, trusted care company will help build confidence*

*and piece of mind to the whole family*
